Dear Doctor Lederberg:

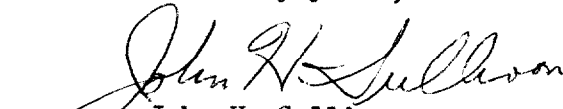

Your letter of October 29 arrived while I was out of the country and was waiting for me when I returned.

I appreciate hearing from you and thank you for sending me a copy of your article on SALT, which I had already seen in its "mutilated" form in the Washington Post.

In order to be of some possible assistance, I have forwarded the article and a copy of your letter to Congressman Fraser, a member of the House Subcommittee on National Security Policy and Scientific Developments for his consideration as an insert in the Congressional Record. If the article does appear, I will be sure that you are sent copies.

With best wishes, I am

Sincerely yours,

  
John H. Sullivan,  
Staff Consultant.
